

Fact:

"In general, men do not have a track record of accessing health care. We typically only go to a doctor when something is wrong."

Solution:

It's time to raise awareness of men's health issues, with an emphasis on prevention and early detection.

Men's Health Initiative

Saturday, June 13, 2009

ACC Youth Center

62 W. 7 Mile Road, Detroit 48203
